Please select the species for your mushroom culture / blocks. If you're attending the morning, you will take home a grow block that was prepared ahead of time. If you're attending the afternoon you will take home a liquid culture syringe. If you're attending BOTH the morning and afternoon, you will take home a grow block we will prepare together in class. Your selected species don't have to be the same!

*Choose from: Reishi, Turkey Tail, Lion's Mane, or Oyster*

Species for your
